# HOW TO USE THIS DREAM JOURNAL

## 1. Draw a picture

Upon waking (or as soon as you find the time) take a moment to think about your dream. You may draw a picture to represent what you saw in the dream.

## 2. Write a description

Then write down a brief description of your dream or some of the key words or feelings.

## 3. Record your feelings

How did this dream make you feel? Was there an emotion you felt during the dream?

## 4. Find meaning

Ask yourself if the dream related to anything you are currently experiencing or thinking about in your day to day life. Perhaps there is a message to help with that situation.
